WHY

SYNCHRONIZED SKATING?

There are so many benefits to participating in a team sport, and synchronized skating is a great way for figure skaters to compete in a sport they love while enjoying all of the aspects of working with others on a team. Cleveland Ice Storm synchro teams compete within the US Figure Skating Synchronized Skating Program, which offers a strong platform for future growth in the sport.

WHY **CLEVELAND ICE STORM?**

There is a place for everyone at the Cleveland Ice Storm! We offer your skater a great platform to develop their skating skills, learn how to work as a team and develop friendships that will last a lifetime!

The Cleveland Ice Storm is Ohio's largest and longest established youth synchronized skating club. With a long history of competition success, our club is comprised of more than 100 members and the organization continues to grow each year.

FAQ

I'm confused on which group my skater should attend. What should I do?

Please email Coach Lana - LanaUllemeyer@clevelandicestorm.com
She will be able to help you figure out which group to attend.

Can I watch tryouts?

Tryouts are closed to all spectators to allow skaters to fully concentrate and perform at their best without the distraction of an audience. Parents/guardians are welcome to stay in the lobby or concession stand area. Clinics are open to watch from the bleachers.

What should my skater wear to clinics and tryouts?

Please wear black pants, black tank top and jacket or long sleeve shirt that is form fitting. Please do not wear jeans or anything baggy. Girls should have their hair in a neat bun. Current Ice Storm skaters should wear their practice attire.

What if I cannot attend tryouts?

Make-up tryouts will be held on Tuesday, April 1st from 7:30-8:30pm. Please email Coach Lana to arrange a make-up tryout.

How do I know if I make the team?

Placement letters will be emailed in early April.

What will be in the placement letter?

Placement letters will include the team financial information for the team that your skater made, the club handbook, team contract, important dates and the practice schedule. Please note that we give a preliminary schedule, but dates and times are subject to change.

TRYOUT TIPS

- Practice the skills that are listed for each group. Skills lists can be found on our website.
- Ask your coach what you need to concentrate on.
- Practice with a friend.
- Skate with confidence!
- Have fun!

**Many factors go into creating rosters. Even if you have the skating skills test passed for that level, does not necessarily always qualify you for making a team.
